

AHMED MAHMOUD MOHAMED

COLLECTION AGENT & FINANCIAL SERVICES PROFESSIONAL

Phone: 01095647479 Email: 2001ahmedmahmoud@gmail.com Location: Alexandria, Egypt

PROFESSIONAL SUMMARY

Results-driven Professional with 2 years of experience in banking services and financial collections at MAS Financial. Possesses a strong foundation in accounting combined with emerging technical skills in data analysis and Python programming. Adept at effective communication, negotiation, and problem-solving to optimize recovery rates and maintain positive client relationships. Actively building hands-on experience in data analytics through ERP data migration work, independent web projects, and a structured professional training track.

WORK EXPERIENCE

Collection Agent *MAS Financial | 2024 – Present*

- Manage and oversee accounts with outstanding balances, ensuring timely collections and adherence to banking financial regulations.
- Utilize advanced communication and negotiation skills to resolve payment discrepancies and secure financial commitments.
- Analyze client profiles and financial histories to develop effective and realistic debt repayment solutions.
- Maintain comprehensive and precise documentation of collection activities and customer interactions.

ERP Data Analyst (Freelance) *Fonoun — Building Materials Dealer | 2025*

- Performed a full data migration and cleaning process for an Odoo 19 ERP implementation, covering chart of accounts, contacts, and product master data.
- Cleaned and structured historical transaction data (sales, purchases, payments, stock movements) for import into the new system.
- Designed the data import sequence and validated data integrity throughout the migration process.
- Used Excel and Python to organize, clean, and quality-check large business datasets.
